

Test Case BladeRunner					
	Test Designed by	Product tester (Luke Byrne)			
	Test Executed by	Product tester (Luke Byrne)			
	Test Title	Full Website Test			
	Test Description	Testing all functional features of O'Donnellys Bar Website			
Step	Test Data	Expected Result	Actual Result/Screenshot	Status (Pass/Fail)	Notes
1	Test 1: Test NavBar functionality	Allow me to access different pages of the site at will		Pass	
2	Test 2: To check carousel is functioning correctly	I expect to see the image in carousel change automatically		Pass	
3	Test 3: To check mailing form	I expect to see error handling on the form		The program would only allow numbers in phone number section but did not check email correctly
